SUPPLEMENTARY INFORMATION: Under Executive Orders 12073 and 10582, the DOL issues an annual list of Labor Surplus Areas (LSA) used by Federal and State entities in a number of actions such as procurement and property transfer. The annual LSA list is updated during the year, based upon petitions submitted to the DOL by State Workforce Agencies requesting additional areas for LSA certification. This information collection is specified by regulations 20 CFR part 654.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition,

notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0207.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on July 31, 2014. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the Federal Register on March 27, 2014 (79 FR 17183).
